ABOUT PABLO DE OLAVIDE UNIVERSITY

Pablo de Olavide University, one of Spain's youngest and smallest public universities, is a dynamic and modern university founded in 1997. The University has a population of over 13,000 students and offers both undergraduate and graduate programs in a variety of academic fields.

UPO is located on a beautiful 345 acre campus less than 5 miles from Seville's city center. In addition to the many classroom buildings, a library, computer and science laboratories, a dining hall and two cafeterias, the campus contains a gym, padel tennis courts, indoor basketball and soccer courts, an outdoor running track and playing fields. Seville's metro was inaugurated in April of 2009 and its first line links the University with the city center. A bike path also links the University to many parts of Seville.

SEVILLE

Seville is Spain's fourth largest city and the capital of Andalusia. It is a city rich in history, cultural traditions and art. Its Moorish palaces, narrow cobblestoned streets and beautiful gardens remind the visitor of centuries past. Its lively street life, colorful fiestas and friendly people offer a warm welcome to every visitor. And Seville's proximity to many places of historic and cultural interest in Spain as well as Portugal and North Africa makes it an excellent base for exploring this region of the world.

APPLICATION REQUIREMENTS

Students must be nominated by the partner university to participate in the Incoming Exchange Program at Pablo de Olavide University. Please contact your study abroad office for more information.

SEMESTER PROGRAMS

MULTIDISCIPLINARY STUDIES PROGRAM

The Multidisciplinary Studies program offers semester-long courses taught both in Spanish and in English in areas such as art, business, economics, history, political science and many others.
